TERMINAL DISCLAIMER

Commissioner for Patents
PO Box 1450
Arlington, Virginia 22313-1450

Sir:

Your petitioner, British Nuclear Fuels PLC, a corporation of Great Britain, having a principal place of business at Risley, Warrington, Cheshire WA3 6AS, Great Britain, by and through Dana L. Tangren, its attorney of record, represents that it is the sole owner of United States Patent Application Serial No. 10/618,833, filed on July 14, 2003.

Petitioner hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimer, of prior Application Serial No. 10/022,993 and hereby agrees that any patent so granted on the above-identified application shall be enforceable

only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application that would extend to the full statutory term of the prior patent, as presently shortened by any terminal disclaimer, in the event that any said issued patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR § 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Dated this 17 day of June 2004.

Respectfully submitted,

Dana L. Tangren
